

Early Childhood Professionals,

If you need documentation of training hours for licensing requirements, please complete this and save it for your records. Remember, you must attend sessions which are appropriate for your home or center duties, and meet with the approval of your licensing consultant. Get a signature from each of your breakout session presenters; conference staff will be stationed at the back of Dimnent Chapel to stamp your form for the Keynote and Closing Addresses. Attach the conference flyer to your form for added verification.
